

Simple, Safe & Stress-Free

Step 1

Gentle Cheek Swab

A quick, painless sample collection that takes only minutes.

Step 2

Advanced Analysis

Targeted genetic markers are examined using cutting-edge lab technology and AI-driven interpretation.

Step 3

Your Personalised Report

Receive a comprehensive, easy-to-understand report with tailored insights for parenting, learning, lifestyle, and health.

Important Information

Genetic screening offers informative insights, not definitive outcomes.

Results reflect genetic tendencies, not predictions.

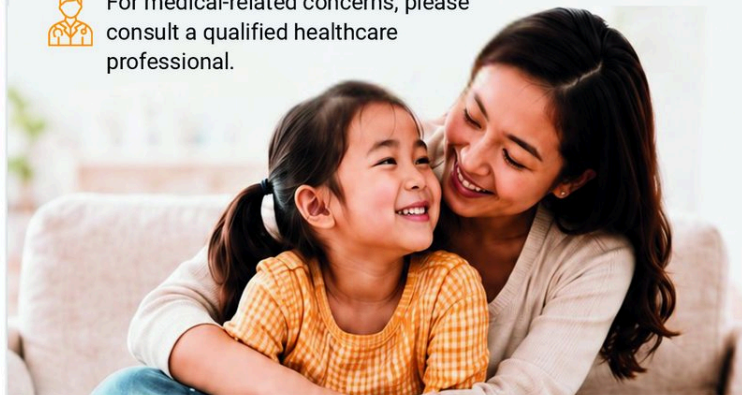

Environment and lifestyle play a significant role in child development.

This test is not intended for medical diagnosis purposes.

For medical-related concerns, please consult a qualified healthcare professional.

Unlock Your Child's True Potential

Every child carries a unique genetic blueprint.

LittleGENEius helps you understand it.

So your child can grow, learn, and thrive with confidence.

Malaysian Genomics Resource Centre Berhad (MGRC)

See Beyond What Meets the Eye

No two children are the same.
Neither are their paths to growth.

LittleGENEius reveals how your child naturally:

Learns and
processes
information

Thinks and
responds

Feels and
interacts

Develops and
adapts

Performs in
different
environments

All insights are translated into
practical and meaningful action guide.

What Will You Discover

LittleGENEius provides meaningful insights across
key areas of your child's development:

Personality Traits

Understand behavioural
tendencies and natural
inclinations

Emotional Intelligence (EQ)

Support emotional
awareness, resilience,
and social skills

IQ & Academic Talents

Identify optimal learning
styles and cognitive
strengths

Sport Talents

Explore natural abilities in
endurance, coordination,
and fitness

Child-Onset Disease

Understand baseline
predispositions to
support proactive care

Nutrient Metabolism

Gain insights into dietary
needs and metabolic
tendencies

Smarter Parenting Starts Here

LittleGENEius goes beyond data.

Using advanced AI, we create a
Personalised Parenting Guide
designed to help you:

Support your child's
learning journey

Build positive habits
early on

Encourage suitable
activities and interests

Better understand
emotional needs

Confidently nurture
natural strengths

Because there is
no one-size-fits-all
approach to raise
a child.
